ASSIGNMENT OF TRADEMARK AND
SERVICE MARK REGISTRATIONS
AND
ASSIGNMENT OF APPLICATION, SUBSEQUENT LETTERS
PATENT AND INVENTIONS

WHEREAS, Tiro Trading, LLC, a Delaware limited liability corporation, having the business address of 7733 Westwood Lane, Mercer Island, Washington 98040 (hereinafter the "Assignor"), was the owner of the trademark and service mark registrations, identified in Schedule A, and applications, subsequent letters patent and inventions, identified in Schedule B attached hereto; and

WHEREAS, Laplink Software, Inc., a Washington corporation, having the business address of 10210 NE Points Drive, Suite 400, Kirkland, Washington 98033 (hereinafter the "Assignee"), acquired the trademark and service mark registrations, identified in Schedule A, and applications, subsequent letters patent and inventions, identified in Schedule B attached hereto;

WHEREAS, Assignor, in "Order Approving Sale of Substantially All of the Debtor's Assets and Business Free and Clear of All Liens, Claims, Interests and Encumbrances; Approving the Assumption and Assignment by the Debtor to Buyer of Certain of the Debtor's Executory Contracts; and Granting Other Relief" (as approved in U.S. Bankruptcy Court Western District of Washington, No. 03-13521) assigned prior to closing all of its interest in the "Purchase Agreement between Laplink, Inc. as Seller and Tiro Trading, LLC, or its assigns as Buyer", including said trademark and service mark registrations, identified in Schedule A, and applications, subsequent letters patent and inventions, identified in Schedule B attached hereto.

NOW, THEREFORE, in order to memorialize and confirm the prior understanding between the parties concerning the purchase, sale and assignment of:

1. the trademark and service mark registrations, identified in Schedule A, effective *nunc pro tunc* on May 2, 2003, for good and valuable consideration, the receipt of which is hereby acknowledged, said Assignor hereby confirms and hereby does assign to said Assignee all rights and title to and interest in the trademark and service mark registrations, identified in Schedule A, and the ongoing and existing business of Assignor or portion thereof to which said marks pertains and the goodwill of the business symbolized thereby; and
2. the applications and inventions identified in Schedule B, effective *nunc pro tunc* on May 2, 2003, for sufficient, good and valuable consideration, the receipt of which is hereby acknowledged, Assignor hereby confirms and hereby sells, assigns and transfers unto Assignee its entire right and title to and interest in said applications and said inventions, including the right to apply for patents thereon in foreign countries in Assignor's name or in the name of Assignee, said inventions and all applications and patents on said inventions to be held and enjoyed by Assignee as entirely as the same would have been held and enjoyed by Assignor had this sale, assignment and transfer not been made, and Assignor does hereby further agree and promise to execute all instruments and render all such assistance

AND
ASSIGNMENT OF APPLICATION, SUBSEQUENT LETTERS
PATENT AND INVENTIONS**

WHEREAS, Laplink, Inc., a Washington corporation, having the business address of 18912 North Creek Parkway, Suite 100, Bothell, Washington 98011 (hereinafter the "Assignor"), was the owner of the trademark and service mark registrations, identified in Schedule A, and applications, subsequent letters patent and inventions, identified in Schedule B attached hereto; and

WHEREAS, Tiro Trading, LLC, a Delaware limited liability corporation, having the business address of 7733 Westwood Lane, Mercer Island, Washington 98040 (hereinafter the "Assignee"), acquired the trademark and service mark registrations, identified in Schedule A, and applications, subsequent letters patent and inventions, identified in Schedule B attached hereto;

WHEREAS, on or about March 12, 2003, Assignor and Assignee, in a "Purchase Agreement between Laplink, Inc. as Seller and Tiro Trading, LLC, or its assigns as Buyer" ("Asset Purchase Agreement") under which Assignee agreed to sell and Tiro agreed to purchase certain assets of Assignor, in a sale pursuant to Section 363 of the Bankruptcy Code, including said trademark and service mark registrations, identified in Schedule A, and applications, subsequent letters patent and inventions, identified in Schedule B attached hereto;

WHEREAS, on or about March 18, 2003, Laplink filed for relief under Chapter 11 of the Bankruptcy Code.

WHEREAS, on May 2, 2003 (Docket No. 89), the United States Bankruptcy Court Western District of Washington (the "Court") entered its Order Approving The Sale of Substantially All Of The Debtor's Assets and Business Free and Clear Of All Liens, Claims, Interests And Encumbrances; Approving The Assumption And Assignment By The Debtor To Buyer Of Certain Of The Debtor's Executory Contracts; And Granting Other Relief ("Sale Order"), Case No. 03-13521. Subsequent to the entry of the Sale Order, Assignor closed the transactions contemplated in the Asset Purchase Agreement;

WHEREAS, on June 25, 2003, the Court entered an order converting the Assignor's Chapter 11 case to one under Chapter 7 of the Bankruptcy Code (Docket No. 125) and Mr. Bruce Kriegman was thereafter appointed Chapter 7 trustee.

WHEREAS, pursuant to paragraph 2.1(c) of the Asset Purchase Agreement, Assignor agreed to transfer to Assignee the "Purchased Intellectual Property". The term Purchased Intellectual Property was defined to include essentially all intellectual property of Laplink, including without limitation patents, patent applications, trademarks, copyrights and similar property. A non-exclusive list of Purchased Intellectual Property was listed on a schedule to the Asset Purchase Agreement.

WHEREAS, at the closing of the transactions contemplated in the Asset Purchase Agreement, Assignor executed various documents, including bills of sale and documents necessary to transfer title to the Purchased Intellectual Property.

WHEREAS, since closing, however, it has become known that certain Purchased Intellectual Property was not specifically identified on the schedule to the Asset Purchase Agreement, and it has been further determined that additional transfer documents are necessary to evidence and record the transfer by Assignor to Assignee of the Purchased Intellectual Property. In particular certain forms of assignment are required to be filed in foreign jurisdictions to evidence the transfer of the Purchased Intellectual Property assets by Assignee to Assignor;

WHEREAS, pursuant to paragraph 28 of the Sale Order, the Sale Order was binding on and enforceable against all successors to Assignor, including any Chapter 11 or Chapter 7 trustee appointed in the case;

WHEREAS, Bruce Kriegman, the Chapter 7 Trustee for Assignor ("Trustee"), agrees that Assignee purchased the intellectual property in question, and that he is authorized by order (Docket No. 192) of the United States Bankruptcy Court Western District of Washington, Case No. 03-13521, to execute and deliver to Assignee all documents reasonably necessary and appropriate to fully consummate and confirm the transactions contemplated in the aforesaid Purchase Agreement between Laplink, Inc. and Trio Trading, LLC.

NOW, THEREFORE, in order to memorialize and confirm the prior understanding between the parties concerning the purchase and sale of:

1. the trademark and service mark registrations, identified in Schedule A, effective *nunc pro tunc* on March 12, 2003, for good and valuable consideration, the receipt of which is hereby acknowledged, said Assignor, by through the Trustee, hereby confirms and hereby does assign to said Assignee all rights and title to and interest in the trademark and service mark registrations, identified in Schedule A, and the ongoing and existing business of Assignor or portion thereof to which said marks pertains and the goodwill of the business symbolized thereby; and
2. the applications, subsequent letters patent and inventions identified in Schedule B, effective *nunc pro tunc* on March 12, 2003, for sufficient, good and valuable consideration, the receipt of which is hereby acknowledged, Assignor, by and through the Trustee, hereby confirms and hereby sells, assigns and transfers unto Assignee its entire right and title to and interest in said applications, subsequent letters patent and inventions to be held, including the right to apply for patents thereon in foreign countries in Assignor's name or in the name of Assignee, said inventions and all applications and patents on said inventions to be held and enjoyed by Assignee as entirely as the same would have been held and enjoyed by Assignor had this sale, assignment and transfer not been made, and Assignor does hereby further agree and promise to execute all instruments and render all such assistance as Assignee may request in order to make and prosecute any and all applications on said
